

Pratik Mitra Car History

First car was a **Mark IV Cortina**, that was a great car when you are young.

Next car was a 1968 **MGB GT**, really my Dad's but he let me "borrow" it for 2 years.

Next was my beloved **Golf GTI** for 4 years,

Followed by the **Audi Cabriolet**

And now finally **Landrover Freelander**.

Interesting Facts:

- Have driven from east coast to west coast in the US.
- have written off a car at 10 mph!
