

Stuart Clarke Car History

Renault 18 Turbo, NJH 672X, Bordeaux Red. Bought off my Dad!

Vauxhall Cavalier 2000GL Coupe, OLJ 836R, Bright yellow. Changed the engine on my own, lifted lump out by hand! No wonder I have a bad back!

Lancia Delta 1500LX, Can't remember reg.? Think LHM 902X, Royal Blue. Crashed it into a telegraph pole at 3.30am on way to work in Somerset lanes! Icy! Still ran ok, Got bonnet up and kicked front away from fan. Great Italian Engineering!

Peugeot 309GTi, F930LFC, Cherry Red, My pride and joy! My wife and mother-in-law took it shopping, only to return to Seacourt park and ride to find it gone! Never seen again!

Rover 214Si, P936 KVR Blue, Bought as wifes ex-company wheels!

Volkswagon Bora 2.0SE, T958 BGK, Light Blue, Great car, saw us through the kids early years!
